We have a great recommendation for you! A real gem ☐ Lokalna Wino - kitchen and friends is an intimate restaurant on ul. Taczak. The restaurant, run by a very nice couple, focused on a casual atmosphere, refined food and wine. Marta and Jarek are married. Gastronomy is their life, work and shared passion. Marta is the chef, Jarek deals with the wine and the guests. The menu changes completely every 8 weeks. The dishes we tried could stay on the menu forever ☐☐☐ Dreamlike sauces, excellent meats and wonderful soup - all worth many, many returns! Start with the duck, ask when the tartare is available and be sure to try the cheeks ☐ Marta's dishes are poetry! See you on Taczaka!
