

Garden Boutique Hotel (18 rooms)

Garden Boutique Hotel is located in the very heart of the city of Poznan. The building, a 19th Century vintage tenement, was skilfully renovated to become what it is today - boutique hotel offering intimacy, peace and quiet.

We do not operate a lift due to the historical nature of the building. As a result of our location, we also do not cater for pet owners.

The hotel does not operate its own car park. However, it is possible to use the municipal car park located about 200 metres from the building on Stawna Street. The car park operates its own system of fees.
