

TOUR de FRIENDS in Poznań

The editors of FOOD & FRIENDS magazine set off on a 1400 kilometer journey through Poland. As part of the "TOUR de FRIENDS" project, they will visit the Tri-City, Warsaw, Krakow, Wroclaw and Poznan to witness the creation of extraordinary dishes designed from the heart for people of great hearts. The organizers have invited 25 chefs, whose culinary creations will become a part of intimate dinners for the "The Magnificent 25" in the following weeks to thank them for their kindness in a difficult time of pandemic.

The distinguished individuals will be selected by a chapter supported by the event partners, the media and the local community. The story of TOUR de FRIENDS will be published in a special issue of FOOD & FRIENDS dedicated to all the wonderful people who have been sacrificing a lot for us recently. The FOOD & FRIENDS route can be followed on Facebook and under #tourdefriendspoland.
