

OFF CINEMA 2016

From 16 to 20th November Poznań will host International Documentary Film Festival OFF CINEMA. It's a competition festival, which presents documentary films from around the world. The competition is accompanied by numerous special screenings, meetings with artists, the exhibition of a film, concerts, films workshops, academic lectures and discussions. The festival promotes the development of documentary cinema in three areas: presentation, education and reflection.

OFF CINEMA 16-20.11.2016

OFF CINEMA is a documentary film festival, one of the most important non-fiction cinema festival in Poland. The best documents a jury of eminent filmmakers, film critics and entertainers awards: Gold, Silver and Bronze Castle. We promote and present interesting events in a wide range of Polish and world cinema contemporary and classical, not only documentary.
