

Nowa restauracja, bar i hotel na Libelta 33 w Poznaniu

June, apart from the opening of the gastronomy, brought Poznań a hot premiere. The historic tenement house at Libelta 33 has turned into a spectacular hotel with an excellent restaurant and gin bar. The hotel operates under the name [Liberté 33](#), and the gastronomic section as [L33 Bistro & Bar](#). The first days of operation showed that the new facility set the bar high and has an idea how to achieve the intended goals. The ambitious menu is a real gourmand. We encourage you to visit and highly recommend it!
