DJ JĘDRZEJ ŚWIERCZYŃSKI

Do końca lutego 2008 pracowałem w Grupie Radiowej Agory i byłem asystentem Dyrektora Muzycznego w sieciach radiowych Grupy (Złote Przeboje, Roxy FM).

Od marca 2008 jestem Szefem Muzycznym Radia Merkury Poznań - publicznej rozgłośni regionalnej i naszego projektu komercyjnego - MC Radia. Oprócz tego zajmuję się prowadzeniem najróżniejszych imprez (imprezy firmowe, integracyjne, wesela, zjazdy rodzinne itp.) oraz gram, jako DJ Zoran w poznańskich klubach: "Browar Pub" - prowadziłem tu m.in. swoją autorską imprezę "Vintage Sounds by Zoran" i "Cuba Libre".

Mój przepis na dobrą imprezę to: wiedza muzyczna ale też wiedza ogólna, umiejętność obserwacji, kultura i... dobry humor.

Współpracuję też z Międzynarodowymi Targami Poznańskimi przy oprawie muzycznej najróżniejszych imprez targowych. M.in.: 15.12.2013 poprowadziłem galę otwarcia odnowionego pawilonu nr 15 tzw.: "Hali Ziemi".

Nie ograniczam się jedynie do bycia DJ-em, biorę także na siebie obowiązki związane z byciem wodzirejem. Staram się zatem być "gospodarzem" wieczoru, w którego oprawie uczestniczę.

Moja najmocniejsza strona to dogłębna znajomość muzyki na przestrzeni epok i stylów i, co za tym idzie, bezbłędne wyczuwanie potrzeb klienta.

Specjalizuję się w prowadzeniu imprez dla cudzoziemców (b. dobra znajomość j.angielskiego)
