

# Wellness Hotels

The hotels in the Wellness category are facilities which, apart from accommodation, also offer their guests a possibility (often free of charge) to use the space designated to mind and body relaxation. The hotels listed below interpret the idea of wellness in various ways. Depending on the facility, on offer there are pools, jacuzzi, saunas, but also massage and cosmetic services or fitness studios.

## Sheraton Poznań Hotel\*\*\*\*\*

This 5\* hotel is located in the very center of Poznań, opposite Poznań International Fair, and only 700 meters away from Poznań Główny train station, as well as only 15 minutes by car from Poznań airport.
